## Caring for the Communities

At Peermont we firmly believe in improving the well-being of communities in which each of our casinos, hotels and resorts operate. This is achieved by the continual provision of financial assistance, skills training and investment support through the various Peermont Trusts and other Corporate Social Investment and Responsibility initiatives focused within three designated pillars - namely education and youth development, entrepreneurial development and community infrastructure.

## Historical Sites

Bethlehem, situated in a fertile valley of the Maluti Mountains on the N5 highway, is the largest commercial, industrial & educational centre in the eastern free state & the northern terminus of the mountain route.

The original settlers found that wheat flourished in the valley & hence the town was named Bethlehem (house of bread).

Bethlehem was founded by the Voortrekkers during the 1840's and is the setting for a number of historical sandstone buildings, many of which are now provincial heritage sites.

Sotho mud huts are arranged around the perimeter. A beautiful dam presents a waterfront with an entertainment venue while friendly and cozy pubs welcome any ravished patron with happy conversation be it over a glass of your favorite brew, or even a meal fit for a king.

An art gallery, museum and numerous heritage houses keep one bound in the wealth of Bethlehem's presentation. Beautiful church buildings tower above the developments and striking up a conversation with any local will welcome your heart even further in the town's rich historical legend.
